Valley Gutter Co. does not offer a leak guarantee when connecting to old gutter and/or downspouts.

We do not provide dry rot or woodwork services.

If a job is scheduled, we will assume that it is ready for installation on the date and time scheduled.

If it is not ready, a service fee of \$50.00 will be charged.

Standard installation is done using bull nose hangers.

Runs over 50' may require an additional seam or expansion joint.

When a return trip is required to install downspouts, a return trip charge will apply.

Travel charges may apply. (Please inquire about your specific location)

If payment is not received within 15 days, pre-liens will be sent to all parties.

For additional terms and conditions, see pg. 2

Valley Gutter Co.
Terms & Conditions

1. Any items not listed on standard price sheet will be by bid only.
2. All vehicles must be moved from affected areas prior to job start. Valley Gutter Co. does not assume liability for unmoved vehicles.
3. Valley Gutter Co. does not assume liability for improperly installed roofing or roof sheeting, which can cause leaking.
4. Irregular, wavy, or rotted sheeting or fascia may cause gutters to have high/low areas or waves in the gutter. Valley Gutter Co. does not assume responsibility for these issues.
5. Valley Gutter Co. guarantees against leaks for a period of 1 year from the date of installation. However, if we are called to repair leaks due to dirty/clogged gutters, there will be a service charge of \$50.00 + travel if any.
6. Tiger striping may occur over time on lighter colored gutters. This is not preventable, and Valley Gutter Co. does not guarantee against this potential problem.
7. Any changes from the original order must be executed via written change order.
8. Any inaccurate information requiring a return trip will be subject to an additional service/travel charge.
9. Cancellations must be called in at least 2 hours prior scheduled job start time. Last minute cancellations will be charged a service charge.
